National Men's Basketball
Championship Tournament**

Press Book

Price to the Public
\$10.00

March 16-22, 1988
Kemper Arena
Kansas City, Missouri

NAIA PRESS ROOM HEADQUARTERS LOCATED IN KEMPER ARENA(LOWER CONCOURSE)

The Kemper Arena press room is located at the south end and is accessible through the south pass gate. A working press area is adjacent to the press room (south end). A limited number of telephones are available in the working press area of the south end.

Press seating is located opposite the scorer's table and team benches. Seating spaces are assigned. Tournament press books, game programs, team and individual statistical updates and additional information is available from the press room throughout the tournament. Statistics on each game include play-by-play, brief halftime summaries, final box and coaches quotes.

Except for the championship game there is no formalized interview session after each game. Following the game, the head coach from each team will answer media questions outside the locker rooms after a brief "cooling-off" period.

PRESS ROOM PERSONNEL

Charlie Eppler, NAIA Department of Communications
Steve Veal, NAIA Department of Communications
Mary Beth Brutton, NAIA Department of Communications
Kristie Miles, NAIA Department of Communications

TOURNAMENT HISTORY

FIRST TOURNAMENT APPEARANCE

THE DEFIANCE COLLEGE

Location: Defiance, Ohio
 Head Coach: Marv Hohenberger
 Assistants: Jerry Keifer, Tim Meister
 Sports Information Director: Cindy Elliott

District: 22
 Nickname: Yellow Jackets
 Enrollment: 808
 Conference: Independent

ABOUT THE COACH

MARV HOHENBERGER....One of the leaders among active NAIA coaches in career victories with 446....Has compiled a collegiate record of 446-193 (.698) in 22 years of coaching....Past president of the NAIA Men's Basketball Coaches Association (1980-81)....1961 graduate of MacMurray College IL....Teams are traditionally known for being fundamentally sound as evidenced by the team's outstanding free throw shooting, low turnover ratio and defense which allows less than 70 points a game....Also serves as the Yellow Jackets' director of athletics and golf coach....

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering programs of intercollegiate athletics to nearly 500 fully-accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball (NAIB), the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. The conversion of the NAIB to the NAIA came in 1952 when the organization expanded beyond basketball and added national championship events in golf, outdoor track and field and tennis. Football, cross country, baseball and swimming and diving were added to the championship calendar in 1956, and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964-84), indoor track and field (1966), ice hockey (1968-83) and volleyball (1969-80) were later additions.

Of major significance to the NAIA was the establishment of the women's division within the association on August 1, 1980. The NAIA's decision to offer competitive opportunities and championships in women's athletics was passed by the membership following two years of study and proposals by an ad hoc committee on the implementation of a women's division in the NAIA. Currently, the association conducts 10 championship event programs for women in the sports of basketball, cross country, fast-pitch softball, gymnastics, indoor and outdoor track and field, soccer, swimming and diving, tennis and volleyball.

The initial purpose of the NAIA — to provide national championship athletic opportunities to institutions below the so-called "major" level — has indeed been well served. The association clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the institution. This means direct supervision in caliber of competition, financing of the program and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic premise is that the athletics program is a basic component of the overall educational process and not an entity apart.

ADMINISTRATION

The NAIA is governed by two bodies. The Council of Presidents, composed of one president from each district, is responsible for fiscal matters, academic standards and supervision of the national staff. The 10-person National Executive Committee, elected by the membership, is responsible for organizing championship events and overseeing the committees and associations. The executive director conducts the day-to-day operation of the National Office, headquartered in Kansas City, Missouri. A full-time staff of 22 serves the membership at the national level.

The district is the basic unit of the NAIA. The association is organized into 32 geographical districts spread throughout the 50 states and a part of Canada. Each district is governed by a district executive committee, headed by the district chair. The district executive committee administers district playoff events, the champions of which qualify to compete in NAIA area and national championship competition.

Eligibility rules within the NAIA govern all play in all sports recognized by the association, not just postseason play. All eligibility guidelines must be adhered to by all members, including those holding dual affiliation with other associations. Certification of eligibility of all NAIA participants is accomplished through a network of people including faculty athletics representatives, district eligibility chairs, and the National Eligibility Committee.

MEMBERSHIP

Any four-year college or university or upper-level, two-year institution in the United States and Canada that awards the bachelor's degree or equivalent may hold active NAIA membership. Active member institutions must be fully accredited by an appropriate accrediting agency or commission.

OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletics programs with the standards of the regulatory associations in which they hold membership and the NAIA. They must pay their annual membership dues and be in support of the policies of the NAIA. Where institutional rules and standards are more stringent than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.
